

Shape your achievements...

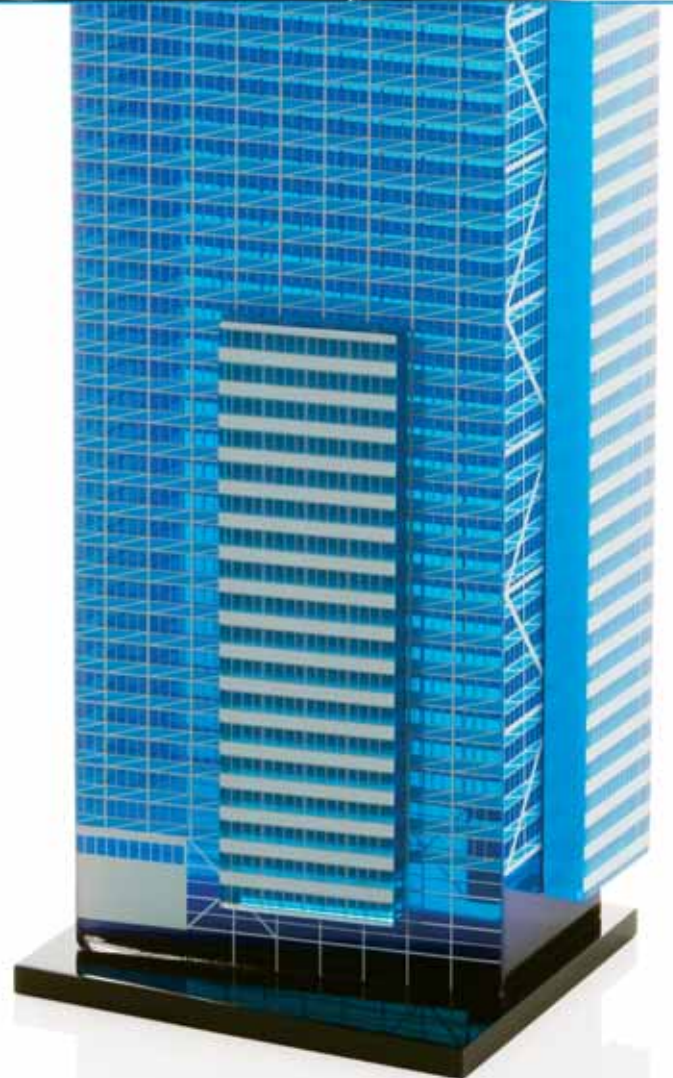

..make them unique

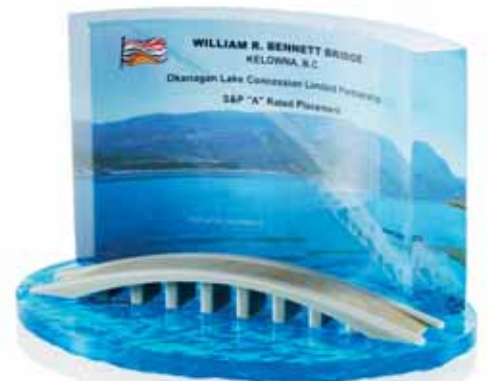

BCH Unique is a recognized leader in the manufacturing of cast acrylic products and embedments in North America.

Since 1957, BCH Unique has built a solid reputation on our ability to provide exceptional products combined with outstanding customer service. Through innovative and state-of-the-art technology, we create exclusive products featuring unique designs to commemorate your latest transaction – it's what makes BCH so Unique.

Your specialized advertising consultant is there to assist you in every aspect of the process, from initial design to final proof, while BCH turns the design into a reality.

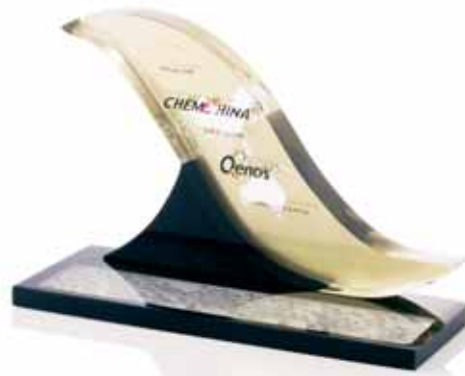

Trust our team of experts with your next tombstone project. We're convinced you'll see the difference!
